Apps for Me

Starbucks Is Available Now

With the Starbucks app, users can earn rewards by using their Starbucks Card for business-related spending. Users can just register a Starbucks Card and link that card to their Concur account, and the Starbucks app automatically sends each transaction to Concur as an e-receipt. By joining My Starbucks Rewards™, users get stars when they pay with their phone or when they register a Starbucks Card. Stars earn free drinks, food, and more.

Starbucks works with **Expense** for Concur Standard and **Expense** for Concur Professional. It is available now in the Concur App Center at www.Concur.com/AppCenter under **Apps for Me**. For more information, go to the Starbucks website at <http://www.starbucks.com/coffeehouse/mobile-apps>.

Automatic Is Coming Soon

Maintaining a logbook is a hassle, and missing trips can cost a company big time. With Automatic, the user's car can keep track of trips. Users can connect their Concur account to Automatic to access full trip history information and add all the details of a trip to expense reports with a single click. Each expense includes important data like mileage, route map, start/end address, and even a visual receipt.

Automatic works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about Automatic, go to the Automatic website at <https://www.automatic.com>.

Duty Free Express Is Coming Soon

Duty Free Express, an online pre-order service by Duty Free Americas, is an innovative way to speed purchases at participating duty free stores. Duty Free Express allows users to shop for duty free products online up to seven days before arriving at the airport for a scheduled international trip. After the user logs into Duty Free Express with a Concur account, Duty Free Express can use the Concur itinerary to have the purchase waiting at the gate.

No longer do business travelers have to choose between relaxing in the lounge and shopping for their favorite luxury products duty free!

Duty Free Express works with **Travel** for Concur Standard and **Travel** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about Duty Free Express, go to the Duty Free Express website at <https://www.dutyfreeexpress.com>.

GigSky Is Coming Soon

GigSky specializes in international data coverage. With the GigSky SIM or Mobile Hotspot, users can get a fast, reliable data connection for a tablet, smartphone, or computer in 40+ countries around the world.

Users choose a data plan based on how much data is needed and how long they will be in the country. Then they can use a tablet or smartphone just like they would at home: email, tweet, download a presentation, or share a photo. An integrated data invoice goes straight to Concur Expense Management.

GigSky works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about GigSky, go to the GigSky website at <https://gigsky.com>.

ingogo Is Coming Soon

With ingogo, users can book a taxi from a mobile device, send their taxi receipts, and seamlessly upload receipts to their Concur expense accounts. Here are some of the ingogo features:

- Pay with a mobile device and have receipts sent automatically to a Concur account.
- The current pickup address is located automatically and response time is guaranteed.
- Real-time updates of the driver's location.
- Direct voice contact with the driver.
- Active in Sydney, Melbourne, and Brisbane.

ingogo works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about ingogo, go to the ingogo website at <http://www.ingogo.mobi>.

localeikki Is Coming Soon

localeikki is there for everyone who's ever suffered in the tiny hotel gym or wandered aimlessly around city blocks trying to get some activity in. Users can find advice on where to be active, based on recommendations that include descriptions, photos, directions, and ratings, all from a community of active individuals. Once a user connects their Concur account to localeikki, they receive an email with suggestions about how to use the localeikki app to be active in any destination!

localeikki works with **Travel** for Concur Standard and **Travel** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about localeikki, go to the localeikki website at <http://www.localeikki.com>.

MiFlight Is Coming Soon

MiFlight is a mobile app that gives travelers the waiting times for airport security lines at airports around the world. This app was inspired by our love of traveling the world. We all need our travel experiences to be more efficient and less stressful. Our solution: Knowing the time in line saves time.

MiFlight works with **Travel** for Concur Standard and **Travel** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about MiFlight, go to the MiFlight website at <http://gomiflight.com>.

PivotPayables Is Coming Soon

PivotLynx sits between Concur Expense and Microsoft Dynamics CRM, enabling the two applications to share and accurately correlate data between them—streamlining the overall expense and payables processes and adding T&E spend to CRM reporting.

Sales teams or other traveling employees won't have a learning curve—they simply continue to use Concur Expense as they do today. With PivotLynx, however, they can easily search for attendees within their contacts, HCPs, or other CRM entities, and assign their expenses all from one place, eliminating the need to enter data more than once.

PivotLynx works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about PivotLynx, go to the Pivot Payables website at <http://pivotpayables.com>.

Tipszee Is Coming Soon

Tipszee is a mobile app that allows users to tip service providers, such as hotel staff, taxi drivers, waiters, and caddies. When users link their Concur account with Tipszee, e-receipts appear automatically in the user's receipt store and are added to the next expense report. Users can avoid the headache of carrying extra cash and expensing cash tips. SOX compliant.

Tipszee works with **Expense** for Concur Standard and **Expense** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter.

WingUp Is Coming Soon

WingUp is the app for location-based professional networking. Users can quickly discover business contacts nearby and see who's in town. WingUp integration with Concur seamlessly syncs future business trip itineraries, enabling users to plan ahead to see who will be at the same conference or trade show. Now travelers don't ever need to miss an opportunity to reconnect!

WingUp works with **Travel** for Concur Standard and **Travel** for Concur Professional. It will be available soon in the Concur App Center under **Apps for Me** at www.Concur.com/AppCenter. For more information about WingUp, go to the WingUp website at <http://www.wingup.com>.
